Export Pallet & Carton Packing

AtAntnira, weprioritize the safe andefficient transportation of ourapparelandmedicalscrubs to customers worldwide. With extensive export expertise, we ensure every product is meticulously packed and loaded to meet international shipping standards.

- **Durable Materials:** We use heavy-duty corrugated export cartons and pallets designed to withstand long-distance international shipping.
- **Protective Wrapping:** Garments and scrubs are individually packed in moisture-proof polybags with dust-resistant and weather-sealed protective layers.
- **Weight & Volume Optimization:** Each package is optimized for balance and cubic space to reduce freight charges and ensure zero-damage handling.

Container Loading & Dispatch

AtAntnira,we prioritize the safe andefficienttransportation of ourapparel andhealthcare garments worldwide. With dedicated export logistics, we ensure every shipment is meticulously packed, inspected, and loaded to meet rigorous international freight standards.

- **Strategic Arrangement:** Products are loaded systematically to maximize space utilization while preventing damage during transit.
- **Quality Checks:** Our team conducts thorough inspections at every step to ensure compliance with global export standards.
- **Secure Loading Techniques:** Advanced techniques and tools are used to secure pallets inside containers, ensuring they remain intact from dispatch to delivery.
